IKON PRODUCT INFORMATION

Centurio 1.5 IK723143I (Intergrated/Laser edge)

\$629.00

Description

Ikon are excited to be able to now offer stainless steel sinks with iKolor-ed wastes and overflows. All you need to do is:

1. Add your chosen sink to the cart
2. It is important you choose the correct kit for the sink you are ordering.
For this specific sink, we recommend a [double \(waste only\)](#). Click on the link then continue with the following instructions:
3. Choose your iKolor preference
4. Add it to your order.
5. Then continue with your online order as usual (please allow 7-12 working days dispatch for any iKolor-ed products)

For any advice before placing your final order, please don't hesitate to [contact us](#).

- Polished finish
- 304 High grade Stainless Steel
- Can be flush, under or top mounted (refer to your fabricator)
- Comes complete with clips, waste and overflow
- Undermount collar available
- Suggested cabinet size: 60cm
- Reversible

- Standard Reginox overflow

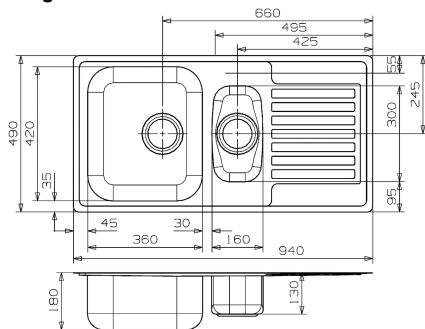

This product has a lifetime warranty from the date of original purchase. For more information please refer to our [FAQ's section on sink warranties](#)
